## BONANZA G36

# The world's ultimate single-engine aircraft. Climb aboard.

The Beechcraft Bonanza. It is more than just what single-engine pilots aspire to own. It is what all other single-engine aircraft aspire to be. With the perfect balance of power, comfort and rugged utility, there just isn't another piston-driven aircraft that can do all these things, in all the stylish ways, that this beauty can.

## BONANZA G36

### Freedom Has Wings

The Bonanza will take you where you want to go with the reliability, speed and handling that make it every pilot's ultimate single-engine aircraft.

### Six Cylinders of Pure Power

The Bonanza's powerful, reliable Continental™ engine and responsive handling promise pure flying pleasure on every trip.

### Sophisticated Yet Intuitive Flight Deck

Garmin G1000® avionics include WAAS and Synthetic Vision Technology. Flat-screen displays present comprehensive flight data for increased situational awareness.

### Have Large Cabin, Will Travel

Passengers relax without having to squeeze in. The reconfigurable cabin offers seating for six, and the tinted windows and standard air conditioner provide a comfortable ride.

## The sky calls. Bonanza answers.

The same aspiration that first inspired you to fly is reflected in the heritage of every Beechcraft Bonanza. Sure, the Bonanza has changed over the years, all the while endearing itself to generations of pilots. What hasn't changed is the way the Bonanza embodies a pilot's spirit of adventure. Driven by its powerful Continental engine, the Bonanza G36 delivers more exhilarating performance than ever before. The G36 tolerates tough conditions like unimproved runways,

so you can fly to destinations near and far. Passengers are treated to a whole new standard of cabin comfort that includes luxurious leather and finishes, LED ambient lighting and set-and-forget climate control, all unified by a flowing design. Even the cockpit seating has been upgraded. The Bonanza difference is in the details, and our commitment to make the finest light-single aircraft produced is what makes the Bonanza G36.

## BONANZA G36

**As spirited as those who love adventure.**

**From the bush country of Alaska to the canyons of Manhattan.** Thanks to one of the strongest landing gear systems in the industry, the Bonanza G36 is certified for rugged utility use. It's at home on unimproved airstrips, dirt runways and grass fields, giving it multi-mission capability to take you places that are as exciting as the times you'll spend flying it. Imagine the adventures you can experience with a maximum range of more than 950 statute miles. And when business calls, the Bonanza can take you there, too. It's all in a day's work for the world's most capable and best-loved single-engine aircraft.

**From the middle of everything to the middle of nowhere.** With an 860-pound (390 kg) maximum payload, the Bonanza G36 can carry the right combination of passengers and cargo to suit all sorts of missions. All you have to do is decide where you want to go. If it's off limits to a Bonanza, you may have to hike in.

## BONANZA G36

## Life moves you more at more than 200 MPH.

4 passengers  
85 percent probability winds  
VFR reserves  
ISA conditions

**The fastest, most capable Bonanza yet.** Generations of pilots have relied on the Bonanza for the best all-around performance of any light-single aircraft, and now it's better than ever before. The 300 hp Continental engine melds proven reliability and power with new airflow enhancements to deliver an impressive 202 mph (176 knots) maximum cruise speed, lifting you to an 18,500-foot (5,639 m) service ceiling. The engine's reliability minimizes downtime, while its low fuel-burn rate assures economical operation. Engineering details like connecting rods and pistons balanced to within two to three grams and a dynamically balanced Hartzell™ propeller ensure smoother running and less vibration, for a flying experience that leaves other light-single aircraft behind.

**202 mph (176 knots) maximum cruise speed**

**300 hp Continental IO-550-B engine**

**Maximum range greater than 950 statute miles (860 nm)**

**Takes off in just 1,913 feet (583 m) and lands in just 1,450 feet (442 m)**

**They say that the journey is half the fun—and the Bonanza is so quick, it leaves plenty of time for the other half.**

What makes the Bonanza G36 a fast, fun and exciting way to get around? Its powerful engine and nearly perfect control harmony result in a responsive, easy-to-fly aircraft. And with a range of more than 950 statute miles, you can enjoy the fun even longer.

## BONANZA G36

## Glass-cockpit safety. Clearly visible benefits.

Garmin G1000® Avionics with Synthetic Vision

Garmin GFC™ 700 Three-Axis Autopilot/Flight Control System

Garmin GTS™ 820 Traffic Advisory System

Digital AHRS and Air Data

Dual GPS WAAS with LPV Approach

Terrain Awareness Warning System (TAWS-B)

Sirius-XM™ Weather and Satellite Radio

Garmin® 5-year FliteLevel™ Warranty

**An advanced flight deck and plenty of windows enhance visibility, inside and out.** By combining advanced Garmin G1000 avionics with a flight deck design proven in millions of flight hours, the Bonanza G36 provides a safe, comfortable, pilot-friendly environment. Synthetic vision allows greater situational awareness and reduces pilot fatigue. Dual LCDs display instrumentation and moving maps. The advanced glass cockpit is convenient and intuitive, with controls and switches arranged for easier operation. The wraparound windshield enhances visibility outside, providing a more enjoyable time in the pilot's seat.

## Comfort for you and five of your closest friends.

137 cubic feet (3.9 cu m) of cabin space

10 cubic feet (0.28 cu m) of stowage space behind the seats

Configurable cabin with removable passenger seats for extra cargo capacity

860 pounds (390 kg) of maximum payload

Wide, easy-to-use 45 x 35-inch (114 x 90 cm) cabin door

Club seating with folding table

Standard air conditioning

**Outside, it's gorgeous and rugged. Inside, it's spacious and luxurious.** The Bonanza offers room for six plus baggage, an unbeatable advantage that lets you carry people and cargo that others can't. Its interior is two feet longer than typical competitors, and features sidewalls that offer more elbow room, thicker windows and improved noise damping for an even quieter cabin. Business jet-like amenities include leather seats with headrests and lumbar supports, cup holders, reading lights and a folding table. Passengers enjoy an air-conditioned interior with separate air outlets and individual Sirius-XM satellite radio controls, creature comforts that make every flight more peaceful and comfortable.

## BONANZA G36

# Aircraft that set us apart. Support that goes even further.

**Tip-to-Tail Warranty**  
Hawker Beechcraft Global Customer Support, LLC: General aviation's largest technical and field support network Available with SupportPlus™

Owning the world's most popular aircraft has its privileges. Among them, a global service and support organization that is second to none. Our continuing investment in Hawker Beechcraft Global Customer Support—the largest and most accessible network of its kind—is our investment in the success of your business and your satisfaction as a Beechcraft owner.
